CANDEN WOOD,

We want to welcome you to Crofton Academy and tell you a bit more about our school, which is fantastic! There are approximately 1000 students at Crofton Academy and you will need to arrive here at 8:45 and finish at 3:05.

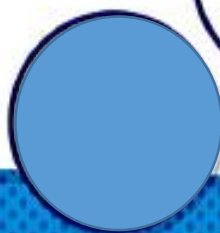

In year 7 you will have a head of year. Your head of year is always there from the minute you join to the minute you leave. Your form is essentially your school family and most of your time spent at Crofton Academy is spent with them.

There are a range of subjects including; History, Geography, French, Tech, Music, Science, Mathematics, English, Drama, Aspire, Accelerated Reading, Art, ICT and P.E and many more.

Beyond lessons there are clubs in the morning, break and lunch for you to enjoy throughout the day such as:

- Tech clubs
- Netball
- Choir
- Sport
- Fitness
- Rugby

Aspire is a unique subject to Crofton Academy that teaches you the most important things like teamwork and organisation.

BY JOELIE HUSKINS, JOSHUA DOWD, OSCAR WADE, TESS HARRISON,

This is an average day for a year 7 students and will look like something that you could do. This is an example of our average day, but remember at Crofton Academy there are lots of opportunities to do something different such as going on trips and taking part in the many clubs on offer.

Normally you would arrive at around 8:20 and you can go to one of the Aspire rooms until the bell goes for form tutor. We have registration and then we go to period one that starts at 9:05 and finishes at 10:05 then period 2 starts and so on. Each lesson lasts for an hour.

After period two we have break where you can hang around with your friends or go to one of the clubs.

At 12:05 we have lunch and that lasts for 50 minutes. We can go in the canteen they serve hot food and sandwiches for a reasonable amount of money. There is a great choice on offer.

At 1:05 we go back to form for afternoon registration as the day goes on through period 4 and 5. When it reaches 3:05 school finishes. As we leave school, a 3rd of the school catches a bus home and they are parked in the bus bay.

Remember - each day is different at Crofton Academy and this is a place that you should enjoy going to, just like us!
