

10th November 2016

Dear Parent/Carer,

Arriva Bus Strike

I am writing to inform you of the arrangements Arriva are making for Monday 14th November due to their pending strike action.

They have now confirmed that all school special bus services will be cancelled, so this will affect pupils travelling on the 518 to Normanton, 516 to Sharlston and the 515 to Ackworth. The 193 will be running a normal service as this bus is not operated by Arriva. Arriva cannot confirm which other service buses will be running.

Crofton Academy will be open as normal but I appreciate the confusion and frustration this strike action might cause, however this is beyond our control.

Yours sincerely,

**Mr P Walker
Headteacher**
