March 2019

Dear Parent/Carer

In order to support your son/daughter in the run up to the exams, the English and maths department will be providing Easter holiday homework that assists revision and preparation for the final exam papers. This work should not be seen as extra work, but instead is an integral part of a pupil's revision programme.

Pupils will be guided in what they have to do and we will also put the details of the Easter homework on the school webpage, in case any pupil loses their work or cannot recall what to do.

I have no doubt you will agree that pupils do need some relaxation time and 'down time' during the Easter break, but it is also vital that they use this time wisely to prepare for the exams. Careful, measured revision and completion of the homework will certainly help them to prepare well for the exam papers.

Should you wish to discuss the work that will be set, please contact Mrs Robinson about English and Ms Rose-Tolson about maths, on the usual phone number 01924862985 or on the emails:

Thank you for your continued support
