

Dear Parent

GCSE FINAL EXAMINATION DATES SUMMER 2014

Below is a list of dates for the Key Stage 4 GCSE examinations, to be held at Crofton Academy for the Summer Season 2014. Please ensure that your son/daughter keeps this information safe and attends those examinations for which they are entered.

Exam Boards will not award grades in any subjects, where the student is absent for reason of holidays. I therefore ask that these dates be avoided for the purpose of booking holidays in 2014. If a student misses an exam through illness, a doctor's note will be required before the Exam Board will award a grade based on estimated performance.
