

14th March 2016

Dear Parent/Carer,

The Governors of Crofton Academy are pleased to announce they have now appointed Mr Peter Walker as the schools new Headteacher.

After interviewing several applicants, the Governors believe Mr Walker has the necessary skills to lead the academy and its community in the current educational climate; having high expectations and a love of learning that will continue to build upon the school's recent accomplishments.

On behalf of the Governing Body, I would like to congratulate Mr. Walker on his success and I am sure you will join me in wishing him well in his new role.

Yours sincerely,

Carole Stevenson
Chair of Governors
