

LEADER OF INNOVATIONS IN MATHS

MPS/UPS & TLR (to be discussed dependent upon experience)

Do you want to work in an 'outstanding' rated school?

Do you want to work in a dynamic department that is supported and will allow for personal development?

Do you want to be part of an outstanding performing Maths team?

If the answer to all the above is 'yes' then maybe you should consider applying for the Leader of Innovations in Maths position. This is a new post to the school and it will allow the successful candidate to have a major input into the future of the department, as well as gaining personal development and expertise.

The department has consistently produced outstanding results and is seen as one of the most successful locally, as well as achieving national recognition for outstanding progress and attainment. The year group of 2013 achieved 75% A*-C and 18% at A-A*.

The successful candidate will work across the department in securing excellence by using their:

- Developed knowledge and understanding of the subject
- Effective and consistent good and outstanding lessons
- Leadership and management skills to support members of the department
- Coaching and mentoring skills to support members of the department
- An opportunity to be included at Key Stage 5, if so desired

Closing Date: Friday 31 January 2014
