## CONSISTENTLY SUCCESSFUL

Year on year our examination results are consistently excellent for all pupils! This year, once again, we have produced results that reflect the hard work and dedication shown by staff, pupils and parents/guardians alike. 65% of our pupils achieved 5A\*-C grades including Maths and English in their final GCSEs whilst 87% achieved 5A\*-C.

We invite you to come see for yourself why Ofsted graded us Outstanding.
