

# CROFTON ACADEMY JOB DESCRIPTION

<b>Job Title:</b>	<b>SCIENCE TEACHER with responsibility for for a key stage</b>
-------------------	--

<b>Grade:</b>	<b>MAIN PAY SCALE with TLR 2</b>
---------------	----------------------------------

<b>Reporting to:</b>	<b>CO-ORDINATOR OF SCIENCE</b>
----------------------	--------------------------------

<b>Location:</b>	<b>CROFTON ACADEMY</b>
------------------	------------------------

## Key Outcomes/Activities:

### **Job Purpose**

To raise attainment in Science across Key Stage 3 and 4, by:-

- To monitor, track and review student progress in Science reporting to the Co-ordinator of Science.
- To collate and analyse Key Stage student data to inform intervention strategies and appropriate action plans for students.
- Developing in consultation a range of stimulating relevant courses and resources appropriate to the needs of Crofton students.
- Leading by delivering consistently outstanding teaching to ensure learning enables all students to make progress and achieve high standards.
- Carrying out the professional duties of a qualified teacher in line with the School's expectations and the teachers professional standards at all times.

### **Teaching and Learning**

- To ensure effective teaching of whole classes, groups and individuals so that teaching objectives are met, pace and challenge are maintained, and best use is made of teaching time.

- To use teaching methods which keep students engaged, including a variety of teaching and learning styles, stimulating students' intellectual curiosity, effective questioning and response, clear presentation and good use of resources.
- To ensure clear teaching objectives, content, lesson structures and sequences appropriate to the subject matter and the students being taught, using appropriate differentiation skills.
- To provide opportunities to develop students' understanding by relating their learning to real and work-related examples, recognising that learning takes place outside the school context.
- To set appropriate and demanding expectations and targets for students' learning and motivation, building on prior attainment.
- To remain updated with regards the SEN register seeking specialist advice to ensure appropriate differentiation and personalised support for students with special or additional needs.
- To remain updated with specialised subject knowledge to be able to cope confidently with student's subject related questions.

### **Leadership and Management**

- To be accountable for student progress.
- To continue to develop work on methods of assessment for learning making a whole school contribution in this fundamental area.
- To ensure that accurate records of each student's attainment and progress are maintained.
- To be involved in setting and marking of internal examinations, assessments, students' progress reports in line with deadlines.
- To cover the syllabus and schemes of work in line with the School requirements, instigating the development of new methods of teaching, course enrichment, cross curricular links, literacy, numeracy and ICT innovation.
- To ensure homework is regularly set and effectively marked with feedback to parents in line with the School's policy.
- To mentor ITT students on placement within the Science department as directed by the Co-ordinator.
- To lead and develop extracurricular Science related activities in consultation with the Co-ordinator.
- To drive forward new and established science initiatives in liaison with relevant staff.
- To assist the Coordinator of Science in ensuring the smooth running of public examinations entries in liaison with the Examinations Officer.
- To take action as appropriate from department meetings.
- To keep abreast of national developments and assessment within Science.

## **Safeguarding Young People**

- To be committed to the safeguarding and promotion of the welfare of young people and to demonstrate this commitment in every aspect of this post.
- To be responsible for the care and guidance for students within your mentoring form and also to ensure your classroom is a safe environment for students to learn.

## **Monitoring, Evaluation and Data Analysis**

- To maintain an accurate record of students' progress, homework and assessments.
- To assess how well learning objectives have been achieved and use this assessment for future teaching.
- To mark and monitor students' class and homework within a reasonable time frame, providing constructive oral and written feedback, setting targets for students' progress to ensure that students know their current level/grade of achievement and know what they have to do to raise their level of achievement.

## **Attendance and Behaviour**

- To set high expectations for students' behaviour and attendance, establishing and maintaining a good standard of discipline through well-focused teaching, through positive and productive relationships and through consistent use of the school's Behaviour policy to ensure all students are treated fairly.
- To set work for students absent from school for health or disciplinary reasons.
- To seek advice as required from colleagues regarding support or intervention when behaviour or attendance concerns arise.
- To record student attendance in a timely manner.
- To play a pivotal role in rewarding student achievement and positive behaviour.

## **Relationship with Parents/Carers, Colleagues and the Wider Community**

- To lead on delivering and maintaining positive relationships with parents and carers, calling parents/carers as deemed necessary regarding student progress or if there are health and welfare concerns.
- To liaise with the Coordinator of Science should written correspondence to parents be required.
- To attend Parents' Evenings to keep parents informed of progress, coaching colleagues who may need support in building positive relationships with parents.
- To prepare accurate reports to parents/carers regularly.
- To establish effective working relationships with colleagues and other professionals.

## **Manage Own Performance and Development**

- To take responsibility for your own professional development, keeping up to date with research and developments in pedagogy and in the subjects taught.

- To set a good example to students in terms of presentation and personal conduct.
- To constantly evaluate your own teaching critically and use this to improve effectiveness.
- To engage actively in the performance management and review process.

### General Academy Responsibilities

- Contribute to and uphold the vision and ethos of Crofton Academy.
- Recognise own strengths and areas of expertise and use these to advise and support others.
- Promote team work within the team, working in partnership to ensure effective working relations.
- Treat all users of the Academy with courtesy and consideration.
- Be aware and comply with all Academy Policies at all times.

The duties and responsibilities highlighted in this job specification are indicative and may vary over time. Postholders are expected to undertake other duties and responsibilities relevant to the nature, level and scope of the post and the grade has been established on this basis.
