We aim to inform and inspire, to spark curiosity, and to help our students unlock their potential and develop the tools they need to explore beyond what they consider to be possible.

We're looking for individuals with:

- A passion for Art and the ability to inspire students and really bring Art to life.
- Evidence of excellent classroom practice.
- High expectations of pupils' attainment and behaviour.
- Strong organisational and communication skills.
- The ambition to develop and excel within the teaching profession.

The benefits of working at Crofton:

- A committed and supportive leadership team and governing body.
- High quality professional development opportunities.
- The opportunity to work with exceptional learners.
- Strong community links including our feeder schools.

We would welcome applications from newly qualified teachers or experienced teachers who wish to take advantage of a new challenge. This is an exciting time to shape the curriculum and develop the department further.

We are able to offer staff a secure, supportive environment with continuous professional development. If you have the vision and drive for excellence and want to join an Academy where relationships for learning are fundamental to our continued success we would be delighted to hear from you.

This school is committed to safeguarding and promoting the welfare of children and young people and expects all staff to share this commitment. You will be required to undertake an enhanced DBS disclosure.
