MPS/UPS

“OUTSTANDING” (Ofsted 2011)

Crofton Academy, Specialists in Maths and Computing, is a co-educational comprehensive day academy where the age range of the pupils is 11 to 16. Situated just outside Wakefield in the sought after village of Crofton we are popular locally and heavily oversubscribed. We work in partnership with Wakefield College, with staff from Crofton Academy leading a number of A-level options on our site.

In 2015 we once again achieved an excellent set of results reaffirming that Crofton Academy is consistently producing outstanding results year on year. Our school is seen as one of the most successful locally as well as achieving national recognition for outstanding progress and attainment. Pupils in the Class of 2015 achieved 71% in Maths, as well as 64% of pupils achieving 5 GCSEs of A*-C including Maths and English compared to 56% nationally. All 3 results are significantly positive in the validated RAISEonline.

We are now looking to appoint a dynamic and forward thinking Teacher of Maths, to join our successful team. Indeed we pride ourselves on ensuring pupil progress through quality teaching and learning for all pupils and the successful candidate will join us on our journey to become even more consistent and expert in our lessons. The department has a strong leadership team and we welcome applicants who are eager to collaborate with our team of enthusiastic subject specialists, and who pride themselves on the quality or care and provision that all pupils receive. We also welcome applications from Newly Qualified Teachers.

The successful candidate will

- Have the knowledge of relevant curriculum areas at KS3/4.
- Be able to inspire and motivate pupils and colleagues.
- Have a record of consistently teaching lessons that are 'good or better'.
- Have passion for their subject.

We are able to offer staff a secure, supportive environment with continuous professional development. If you have the vision and drive for excellence and want to join an Academy where relationships for learning are fundamental to our continued success we would be delighted to hear from you.

This school is committed to safeguarding and promoting the welfare of children and young people. We expect all staff to share this commitment and will be required to undertake and enhanced DBS disclosure.

All relevant information and application forms can be downloaded from the school website at www.croftonacademy.org.uk . For further information please contact Louise Stirk, PA to Headteacher, Mr Peter Walker at louise.stirk@croftonacademy.org.uk .

The closing date for fully completed application forms is noon on Monday 6 June 2016. Interviews will be held during week commencing 13 June 2016.
