There are multiple places you can go to at break/lunch time, such as the hall, outside, old hall and the tennis courts.

Timetables are incredibly useful in high school life as you know what lessons you have and when. The lessons are entertaining and you learn a lot of useful facts. We specialise in Computing and Maths, plus P.E is especially fun as we do sports such as rugby, basketball, netball, football etc. There are many members of staff to help you around if you are lost.
