**We are pleased to announce that we have received approval from our respective governing bodies to develop a new post-16 centre at Crofton Academy for the start of the 2013 academic year.**

The new centre will be developed and run as a partnership between Crofton Academy and Wakefield College, taking full advantage of the resources, expertise and successes of both organisations.

After completing their GCSEs, we hope that many of the students currently at Crofton Academy would choose to stay with us and study an academic or vocational pathway in the new centre. In addition, it will be open to students leaving other schools, who may wish to take advantage of what will be an appealing curriculum offer, delivered locally in Crofton.

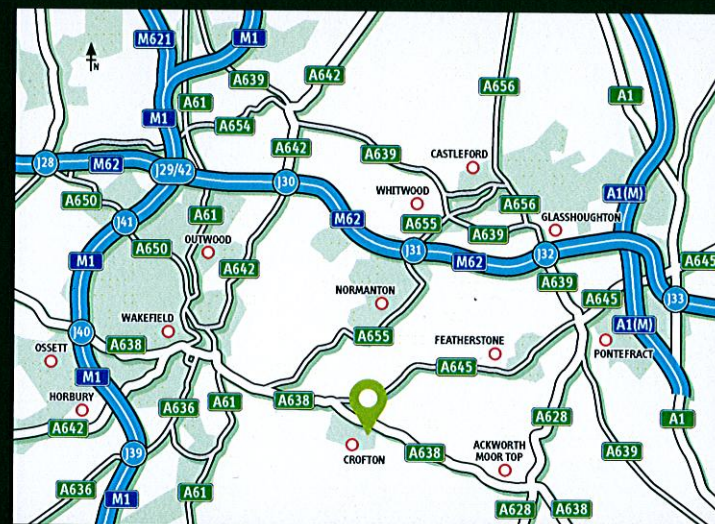

We will be holding an information evening at Crofton Academy on Wednesday October 3<sup>rd</sup> starting at 7pm. You are welcome to join us so we can share and discuss our plans with you in more detail.
